Footnotes:

\* Certain funds may not have more than 25% of total assets in any industry or group of industries. However, other funds may have more than 25% of total assets in an industry or group of industries if (1) the fund's Underlying ETF invests more than 25% of its assets in that industry or group of industries or (2) the fund is specifically permitted to concentrate in a specified industry or group of industries in its fundamental investment policy (such as information technology). Therefore, some funds have additional info listed about their underlying ETF (represented by an index) or have a note that they can concentrate in a certain industry or group of industries.
